PRODUCTS

18-24

AGE TARGET

Objectives

Drive trial & conversion. Create virality on campus. Embed Mentos in daily student routines. Build cultural relevance with Saudi Gen Z.

Geography

Major universities in Riyadh, Jeddah, and Dammam + post-meal locations (coffee shops, cafeterias, restaurants near campuses).

Hero Products

White Flip-Top Box (Q2 NPD) • **Fresh Dive** (Q2) • **Air Action** (Q3/Q4) • **Pure Fresh** (always-on)

Budget

Client stated: **AED 100K-125K**. Tikit recommended for brief scope: **AED 320K-650K**. Three investment options presented - see Investment slide.

OUR APPROACH

The Big Idea: FRESH DROP

"Fresh Drop" borrows from sneaker and streetwear drop culture â€” something Saudi Gen Z deeply understands.

The "Drop" Works Triple

- âœ“ **Product Drop** â€” new Mentos SKU launches land like coveted releases
- âœ“ **Beat Drop** â€” music and content culture tie-ins
- âœ“ **Fresh Drop** â€” the moment you pop a Mentos and your vibe shifts

Ù¸±ÙŠØ´ Ø´Ø±ÙˆØ´

ALWAYS-ON DRUMBEAT

Why It Works for Saudi Gen Z

- âœ“ Drop culture = status, being first, social currency
- âœ“ "What's dropping next?" keeps Mentos in the feed
- âœ“ Authentically Saudi â€” cannot be replicated elsewhere
- âœ“ Connects on-ground moments to digital virality
- âœ“ Every month has a reason to talk about Mentos

TARGET AUDIENCE

Saudi Gen Z: The Fresh Generation

TikTok â€™ Discovery

Snapchat â€™ Real Life

Instagram â€™ Identity

ðŸªª Identity

Proudly Saudi, globally connected.
Code-switch between Arabic meme culture and English internet slang. Daring but respectful.

ðŸ’– Social Currency

Status = being first to know, first to try, first to post. Early adoption is everything.
Peer influence > advertising.

ðŸŽ® Passion Points

Anime Â· Gaming/Esports Â· Local music
Â· Street food Â· Football Â· Fashion Â·
Campus humor

âˆ™ The Fresh Moment

Coffee after lunch, gum after coffee,
fresh breath before the next interaction.
Mentos fits naturally into these campus transitions.
