The Big Idea: FRESH DROP

"Fresh Drop" borrows from sneaker and streetwear drop culture — something Saudi Gen Z deeply understands.

The "Drop" Works Triple

- ◆ **Product Drop** — new Mentos SKU launches land like coveted releases
- ◆ **Beat Drop** — music and content culture tie-ins
- ◆ **Fresh Drop** — the moment you pop a Mentos and your vibe shifts

ALWAYS-ON DRUMBEAT

Why It Works for Saudi Gen Z

- ◆ Drop culture = status, being first, social currency
- ◆ "What's dropping next?" keeps Mentos in the feed
- ◆ Authentically Saudi — cannot be replicated elsewhere
- ◆ Connects on-ground moments to digital virality
- ◆ Every month has a reason to talk about Mentos

Saudi Gen Z: The Fresh Generation

TikTok — Discovery

👤 Identity

Proudly Saudi, globally connected.
Code-switch between Arabic meme

📱 Social Currency

Status = being first to know, first to
try, first to post. Early adoption is
everything. Peer influence >
advertising.

🎮 Passion Points

Anime · Gaming/Esports · Local
music · Street food · Football ·
Fashion · Campus humor

☕ The Fresh Moment

Coffee after lunch, gum after coffee,
fresh breath before the next
interaction. Mentos fits naturally into
these campus transitions.
